***Detailed Action***

The following is responsive to applicant's amendment and terminal disclaimer received May 9, 2005.

No claims are cancelled. No new claims are added. Claims 1-15 are currently pending.

The previous objection to claim 15 set forth in paragraph 1 of the office action mailed Feb. 9, 2005 is withdrawn in view of applicant's amendment and the remarks contained therein.

However, the previous obviousness-type double patenting rejection set forth in paragraph 2 of the office action mailed Feb. 9, 2005 is maintained. Applicant's terminal disclaimer received May 9, 2005 has been reviewed and disapproved. The terminal disclaimer has failed to state the owner and the interest in the instant application. The double patenting rejection will be maintained until receipt and approval of terminal disclaimer rectifying the deficiencies described above.

***Conclusion***

Claims 1-15 stand rejected.

**THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not

mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
